Dear Miss Boyd:

I have received your letter On Board the "Finland" postmarked at Balboa, May 14th, ordering a copy of the book of Spanish Songs of California for Miss Mary Alice McNally, Haddonfield, N.J.; and another for Miss Nettie Boyd Strobhar, N.Y. Smith College Club.

I am sending both of these copies by first mail. Your check was for only \$1.50 instead of \$3.00; but you can remit the balance at your leisure.

I remember your former orders; and am glad that you have not yet lost your interest in these beautiful folk songs.

I have long been trying to get out the Second Book, but have thus far been prevented by numerous other things. I am addressing an envelop to you for the cabinet which contains a great number of people who wish to be notified when the Second Book comes out.

If you have been in California for six years, I know it must be hard to leave it. But home ties are strong - and good old Philadelphia is a Real Place - one of the few left in our over-civilization.

With best wishes,

Sincerely,

L/C

My dear Miss Boyd:

Thank you for your check of \$1.50
covering the song book you had overlooked remitting
for.

I appreciate your interest in these
songs, and hope I may hear from you again some time.

Sincerely,

L/C

Mr Charles F. Lummis

Los Angeles, California.

Dear Mr Lummis, -

Please pardon delay, in receiving
check, for Spanish Song Books,
one of which you very kindly
forwarded, tho a mistake was
made in the amount on check
mailed you. Thank you very much,
for your kindness.

My stay in New York
was of longer duration, than I
had expected it to be, hence
the still further delay, which
I hasten to right now.

The book forwarded
to New York City, was to a
graduate of Smith College, and

and the address 233 East 17 Street -
is Smith College Club, and I
trust that when Miss Stroblar, returns
from her summer trip, she will
have the book, where the
young ladies can use it.

The book forwarded to Miss M^r Nally
Haddonfield, is now at Maine, in
a private school. My appreciation
of the songs makes me eager ~~to~~
for its ^{the book} circulation, which I will
endeavor to keep going.

The trip thru the Panama Canal
was most interesting, as ~~was~~
the few hours on shore at both
Panama and Havana.

Thanking you again for
filling my order, and with
best wish I am

Cordially yours
(Miss) Helen D.
